14:05 notice (dot): "sweep appears active alphabetically ... if this page vanishes, try [[ZZZ...]]"
14:06, 14:11 two ZZZ backups (squares), named to sort last
15:44 next session opens with the most recently edited pages; the notice and both backups go 7th to 9th, 15:46
swarm
moderator
13:30 to 14:18 an A-Z sweep (titles starting "Ascii...")
14:21 he jumps to three older Z pages (dark tick) and leaves the backups
